

Steps How to use Google hangout for voice calling.

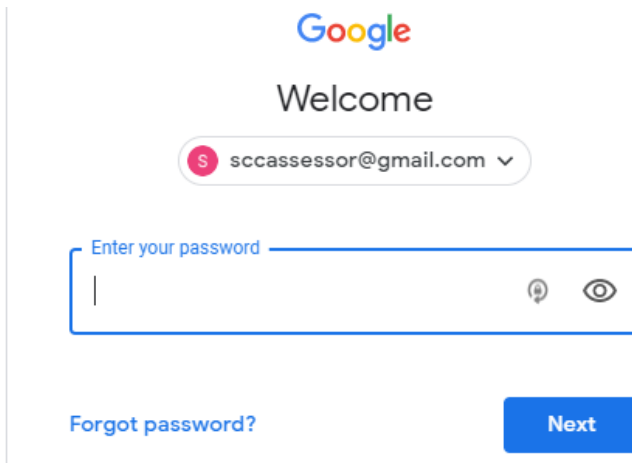

1. Open your Chrome browser and go to "<https://hangouts.google.com/>".

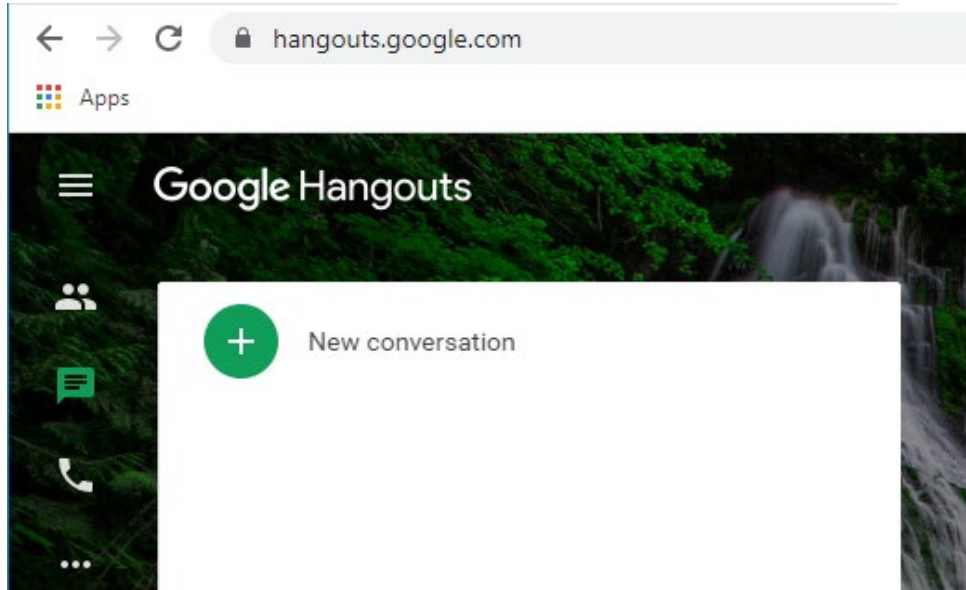

2. If you are not already logged in please click "Sign in" button on the top right hand corner.
3. Use account id you just created in the previous step.

4. Enter password you created while creating the Gmail account. (Please keep the password secure)

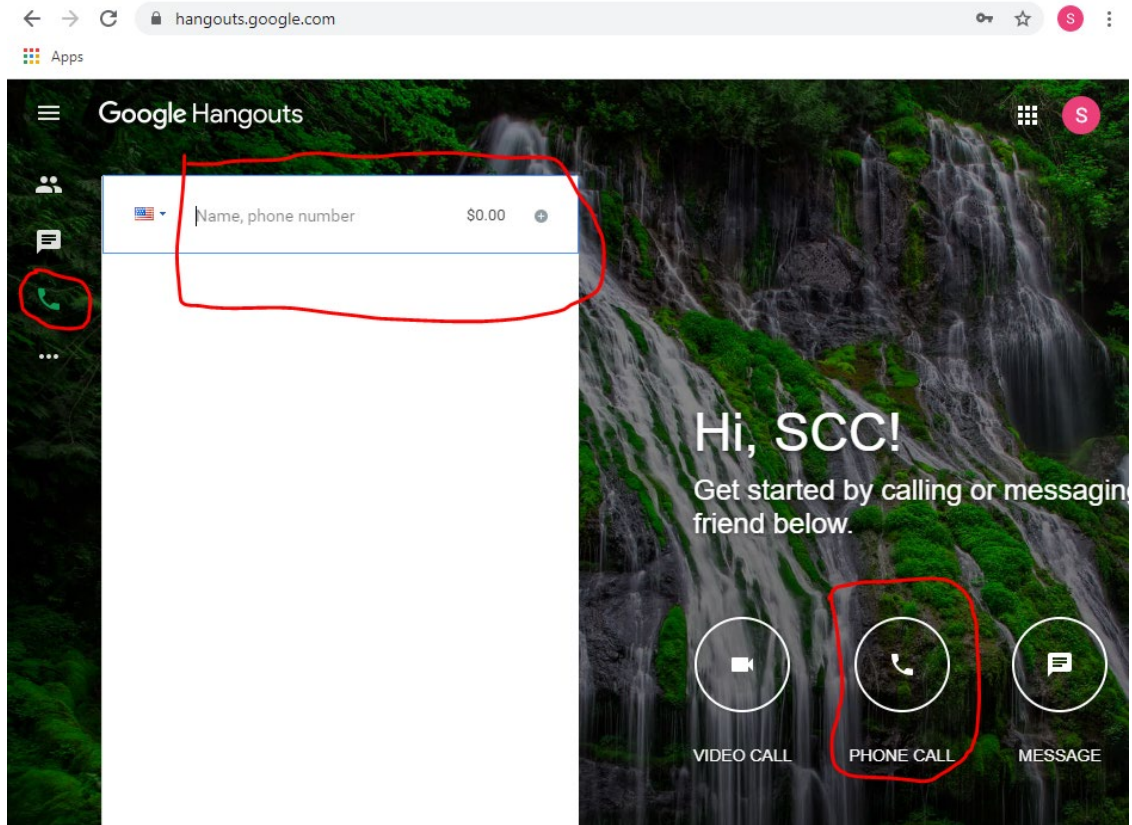

5. Once you are verified you will land on the following screen

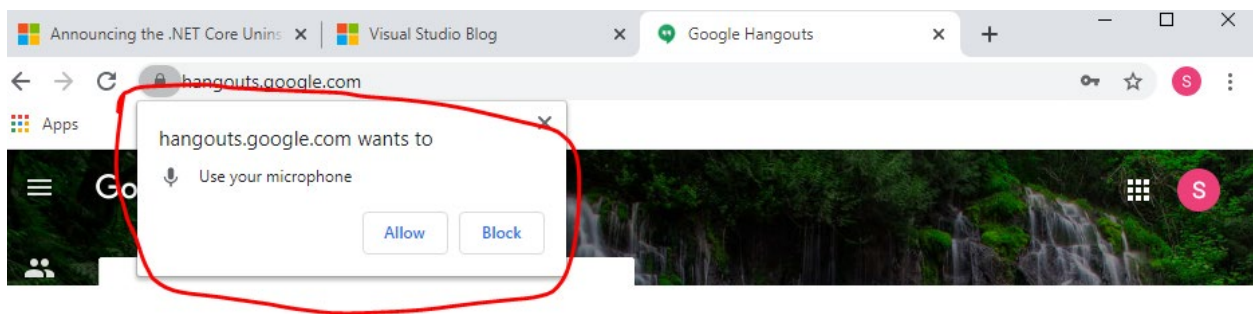

6. Click the Phone icon on the left hand side.

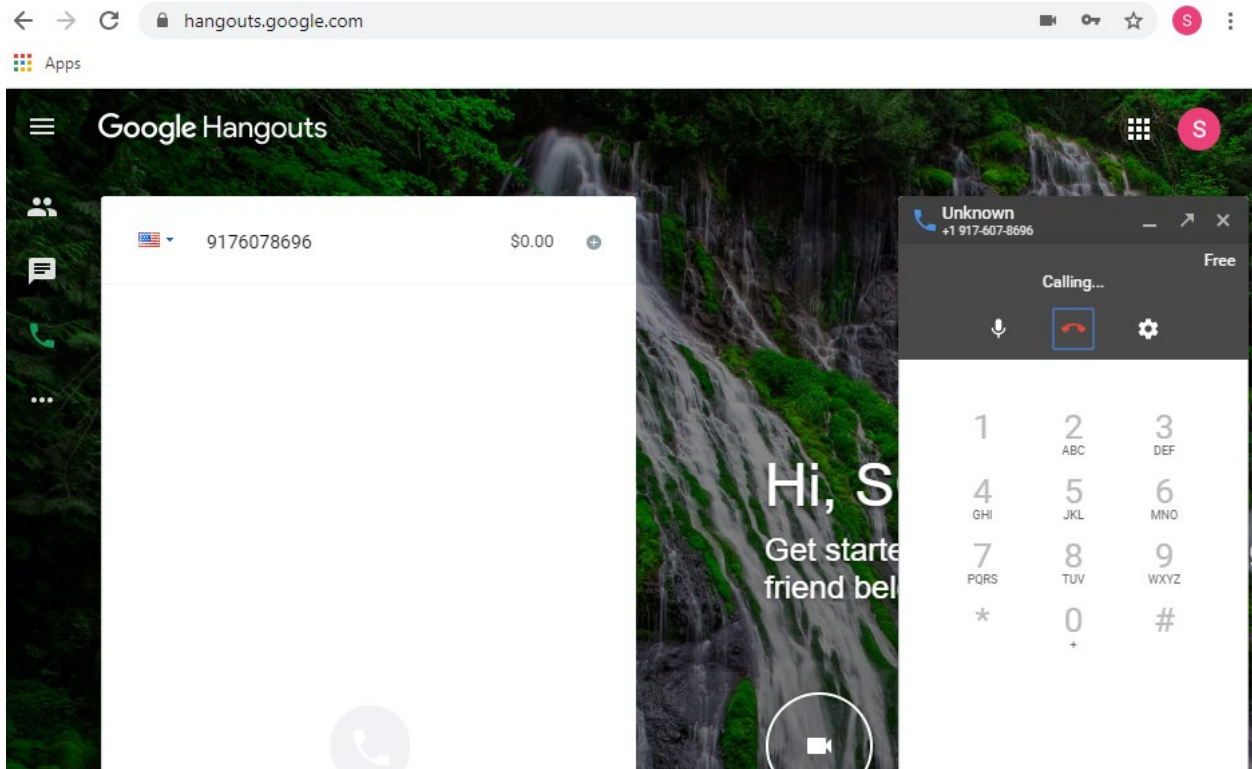

7. Then click the + icon on the screen

8. If this is first time browser will pop the notification under the address bar “Use your microphone” click allow.

9. Enter the number you wish to call and hit enter. You will see new area on the right hand side showing calling with dailpad.

10. You will be connected to the dialed phone number.
